PROFILE

A **Computer Science and Business Administration Double Degree Student** with a passion to bridge the gap between technology and business. I am a **passionate learner** seeking to apply my **strong analytical and communication** skills to develop meaningful solutions.

SKILLS

Languages: Java, C, HTML/CSS, Racket
Tools: Git, Microsoft Office (Word, Excel, Powerpoint)

EXPERIENCE

President Sep 2018 - May 2020

Albert Campbell CI DECA Chapter

- Managed and led the executive team to organize and deliver high quality bi-weekly training sessions to chapter delegates
- Increased school regional qualification rates by **20%**, allowing more delegates to move onto the Provincial competition
- Collaborated and communicated with school administration, and staff advisors to organize competition excursions

Vice President Sep 2018 - May 2020

Albert Campbell CI Athletic Council

- Campaigned for additional intramural activities and thus led to an increase in events by **50%** from previous years to further promote healthy active living
- Oversaw bi-weekly intramural sports, monthly fundraisers, and occasional home games to ensure smooth operations

Activity Leader Sep 2016 - May 2020

338th Toronto Troop - Scouts Canada

- Organized weekly meetings for **+30** youth aged 7-11 with activities ranging arts, first aid, survival skills, and outdoor adventure
- Facilitated events such as seasonal camps, tree planting initiatives, and fundraising operations.
- Awarded the **Volunteer Service Award** by the Government of Ontario for **+800** hours of dedicated and committed service to Scouting

PROJECTS

Turtle Olympics *Python, Turtle Graphics*

- An I/O guessing game where players can select a turtle sprite that they believe place first in a racing game with 3 other turtle sprites
- Utilized Turtle Graphics to create a track with turtle sprites that moved along a circular track

DISTINCTIONS

Enactathon *Enactus Laurier* Mar 2021

Top 3 team out of **+60 teams** for pitching an innovative and creative social enterprise aimed to gamify financial literacy education through a rewards program on a mobile app, to encourage young adults to become more financially competent.

PepsiCo Pitch Competition *Wilfrid Laurier University* Mar 2021

Semi-finalist out of +1200 students for a strong and articulate pitch for a new business venture, *Feri*, a multi sided business that allows busy professionals to hire flexible workers to complete menial day-to-day errands that are too time consuming.

Consulting Case Competition: TD iD8 *Wilfrid Laurier University* Dec 2020

Semi-finalist out of +1200 students for an outstanding presentation and recommendation, of developing virtual credit cards, to improve customer confidence, reduce fraud, and ultimately increasing customer transaction security at the Toronto Dominion-Bank.

President's Scholarship of Distinction *University of Waterloo* Sep 2020

Awarded to high achieving students with an admission average of **+95%**.
